Luxury on the River
Posted: 8/2/2007

Looking for a unique destination for your next social or corporate event? An intimate setting for an upcoming wedding? Forget the usual banquet halls and head to the Jefferson Marina in St. Clair Shores, home of Detroit's exquisite Infinity and Ovation Charter yachts. General manager Steven Rybicki offered a sneak peak of the yachts as the Ovation prepared to cruise the riverfront for a private party hosted by MGM Grand Casino.

General Manager, Steven Rybicki of Infinity and Ovation Charter Yachts

Mr. Rybicki began his career with Infinity Yacht Charters as a teenage member of the wait staff and advanced all the way to the general manager position nine years ago. He has since helped the company blossom by adding the Ovation yacht to the fleet and revamping the Infinity this past year. He oversees all aspects of the company, including personally designing the yachts with brushed chrome and dark wood detailing, contemporary décor, and imported Italian furnishings to achieve a sleek, sophisticated appeal. In addition, his personal relationship with the entire staff proves his dedication to achieving high quality service and comfortable atmosphere.

Photos by Steve Linville of Linville Photography

The Infinity and Ovation yachts are perfect for a wide range of events, including employee appreciation parties, fundraisers, weddings, banquets, and product launches. The Infinity can accommodate up to 150 passengers, while the Ovation can host up to 300.

Unlike land-based banquet halls, the yachts offer complete exclusivity and privacy for parties. The yachts also make fabulous party venues because their multiple levels encourage mingling and dancing, both indoors and out

on the decks. The yachts' design also allows for these different activities to happen simultaneously so guests have more freedom to interact than in a traditional banquet setting. The river cruise offers a beautiful tour of the Detroit skyline and the international waters, making it an ideal option when hosting visiting or international guests.

Mr. Rybicki believes that a combination of gourmet cuisine, dynamic staff and creative themes set the Infinity and Ovation yachts apart from other banquet facilities in the area. The culinary staff reinvents the menu annually and tailors the cuisine to fit the theme of each party. Popular themes include Mardi Gras, casino, luau, and Motown. Infinity and Ovation Yacht Charters offers all-inclusive party packages for any occasion to ease clients' stress and eliminate any potential glitches. Packages include dining and beverage service, entertainment, and theme décor. The charter yacht season runs from May through October and clients are encouraged to book parties well in advance. For more information, see the fleet on the web at www.infinityandovation.com.
